

Paper 4 (ICSE 2019)

- Cito, J., **Leitner, P.**, Rinard, M., and Gall, H. C. *Interactive production performance feedback in the IDE. In Proceedings of the 41st International Conference on Software Engineering (ICSE 2019)*
 - This work showcases our research on visualizing performance data for developers. The paper discusses an empirical evaluation using a controlled experiment. Jürgen Cito was my doctoral student at the time when the research has been primarily conducted. ICSE is the premier conference of software engineering.
